

OFFICIAL INVITATION

NYSUM, 4-6 SEPTEMBER, 2020

As part of the eagerly-anticipated RallyX Nordic season finale at Nysum in Denmark next month, there will be a special Nations' Challenge between Denmark, Sweden, Norway and Finland for SuperNational drivers – and we are inviting you to take part!

You will benefit from sharing the stage with the RallyX Nordic competitors and the extensive international coverage provided by the global livestream, featuring the 'Voice of Rallycross', Mr. Andrew Coley himself. This stream attracted 16,000 unique subscribers at Höljes last month, and all Nations' Challenge semi-final and final races at Nysum will be broadcast live, together with a recap of the qualifying races.

The Nations' Challenge is open to all 2WD SuperNational competitors, with all entrants free to choose whichever tyres they prefer from the Cooper Tires / Avon Tyres range.

The cost of entry is 5,000 SEK for a single round or 8,000 SEK for the full double-header, and the closing date for entries is midnight on Thursday, 20 August. Please register your interest or request any further information by responding to this email.
